

Air Quality Division Budget Update

November 17, 2017

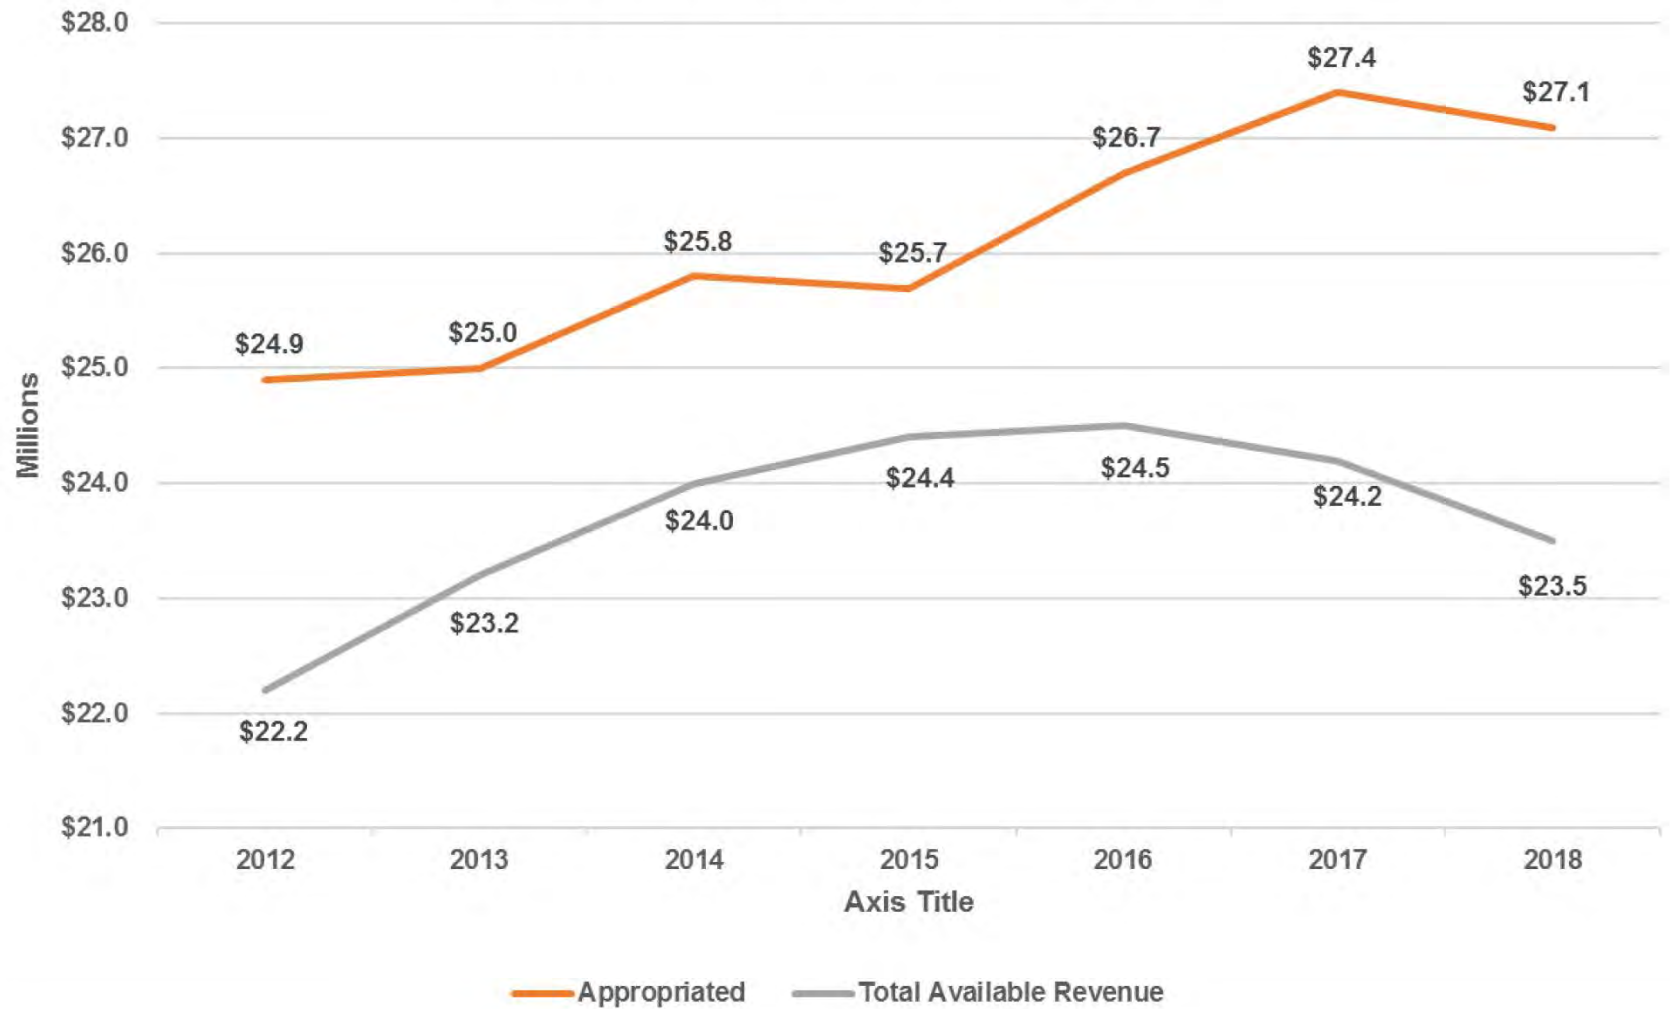

Lynn Fiedler, Air Director

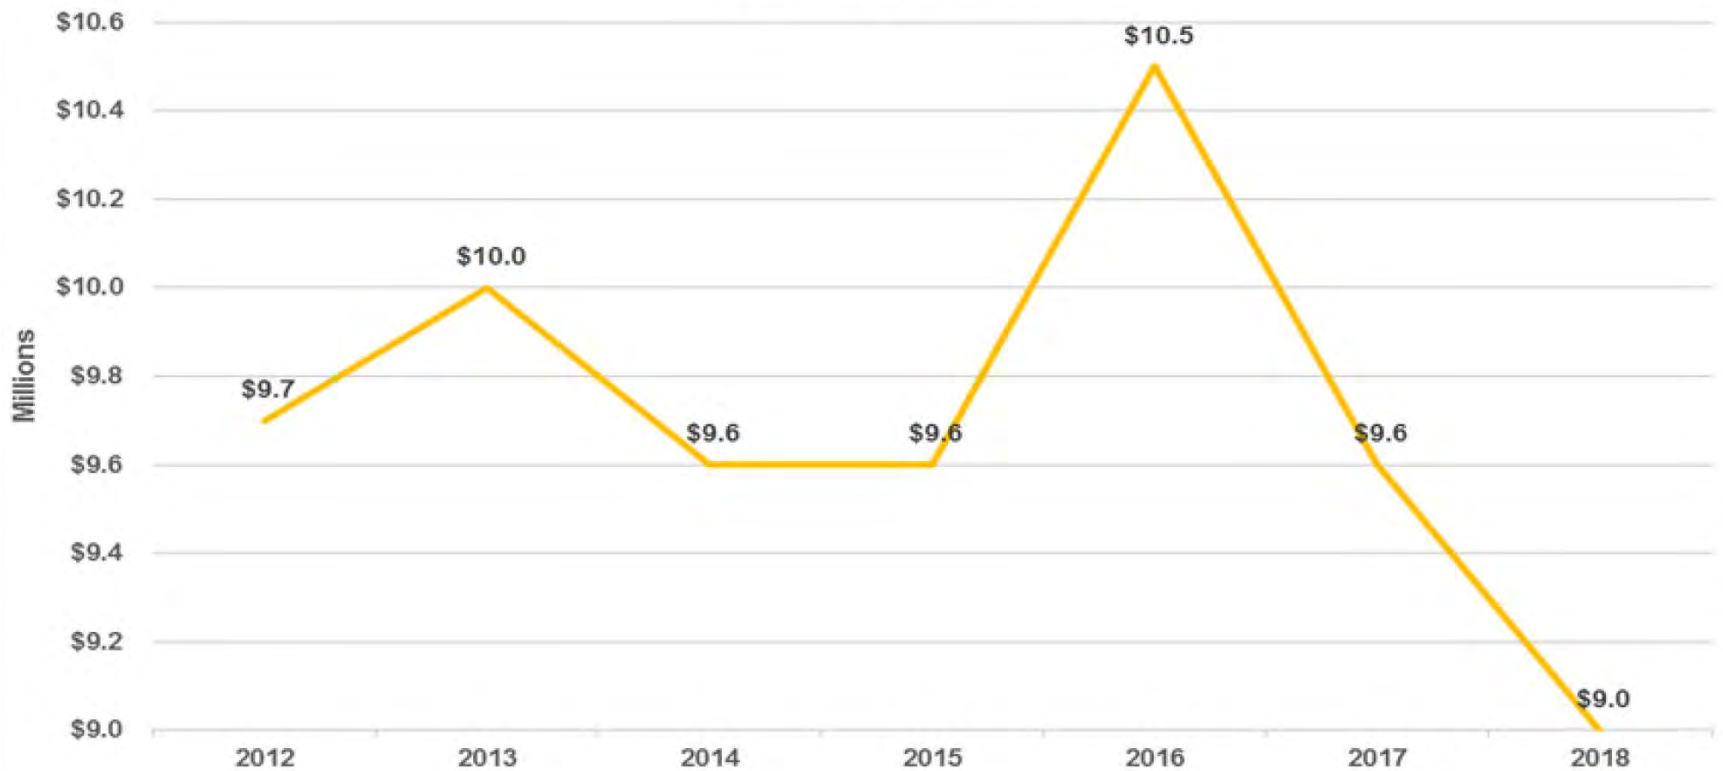

Fiscal Year 2018 AQD Appropriation

AQD Appropriated and Actual Revenue

Air Fee Revenue

2018 AQD Priorities

- Staff focus – With the funding we have, do what we do well
- Reduce risks to public health & the environment
- Build partnerships to address Michigan's environmental issues

Staff focus

- Lean – Permit to Install (Rd 3), Title V (Rd 2) & Enforcement
- Planning for Division-wide database to replace existing systems
- Training & technology
- Title V Fees – Sunset in Sept 2019
- Succession planning to address retirements

Reduce Risks to Public Health and the Environment

- Ensure demolition of structures comply with the asbestos National Emission Standard for Hazardous Air Pollutants
- Address areas not meeting the National Ambient Air Quality Standards
- Inspect hard chrome platers

Build partnerships to address Michigan's environmental issues

- Continue to update the public participation process
- Continue to provide outreach materials
 - LPI implementation
 - MDEQ Minute
- Continue involvement with issues such as vapor intrusion, PFAS, etc.
